

The **D** Michael J. Gonsalves
DOC FUND
94 HJY

Dear Power League Wrestling,

Thank you for your generous donation to the Doc Fund! We have set up this fund to benefit the families of the victims of the West Warwick Nightclub fire of February 20th, 2003. We lost our friend and co-worker Mike "The Doctor" Gonsalves and 99 others, but we want to keep their memory alive with the Doc Fund. In addition to helping families of the victims through the Station Nightclub Fire Relief Fund, we are also providing money to a scholarship fund set up in Doc's name at Rhode Island College.

The response to the Doc Fund has been fantastic. It is reassuring to see how our community has responded to a tragic event in a positive way. The profound grief we all experienced will never be forgotten, but the effort to remember our fallen friends and family members will help us deal with this great loss. We sincerely appreciate your contribution. Thanks again!

Your Friends at 94HJY
